Subject: **Submission of Summary of the Feedback taken from Students, Alumni, Parents, and Faculties for the session 2022-23.**

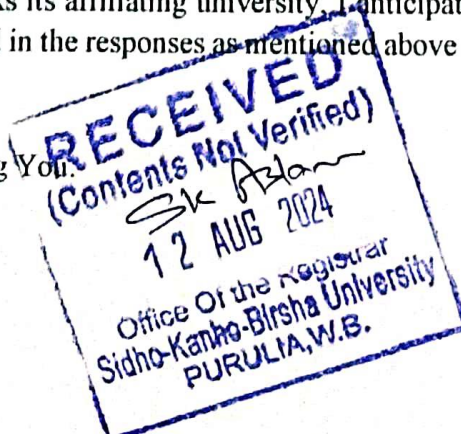

Respected Sir,

This is brought to your kind attention, that Netaji Subhas Ashram Mahavidyalaya has taken feedback from its esteemed students, alumni, parents, and faculties for the session 2022-23. In this connection I'm submitting an outline of the feedback for your kind consideration and necessary action.

The feedback from students, alumni, and parents reveals that they are mostly satisfied with all the issues. However, it is noteworthy that a significant section of students and alumni feel that the syllabus needs to be updated to make it more job oriented. On the teachers' counterpart of feedback, majority of the teachers expressed their overall satisfaction on the present syllabi and thought that the syllabi are able to impart subject specific knowledge to the students. More than half of the faculty members said CBCS is better than 1+1+1 system. Whereas, many faculties also think that the syllabi require to be updated to make it more job-specific. In this connection provisions for more hand-on workouts may be incorporated in the syllabi.

As its affiliating university, I anticipate your considerate attention to the findings observed in the responses as mentioned above and seek your humble concern by doing the needful.

Thanking You.

With regards
